The text in this abstract should not be more than 400 words, unless otherwise specified by your conference organizer. Please use single line spacing and type the text unjustified without hyphenating words at line breaks. Use hard returns only to end headings and paragraphs, not to rearrange lines.

Greek and other special characters may be included - if you are unable to reproduce a particular special character, please type out the name of the symbol in full. SI units should be used throughout (litre and molar are permitted, however). Abbreviations should be used as sparingly as possible and should be defined when first used.

Citations to references should be included in square brackets [1,2], and citations to any figures (Figure 1) and tables (Table 1), must also be included in round brackets.

Structured headings such as Background, Results and Conclusions may be added.

Table 1. Tables should be formatted using the "table function" in a word processing program not created with tabs or submitted as graphical items.

	X ^a	Y	Z	p [*]
Parameter 1	≤9	10-12	≥13	0.01
Parameter 2 ^b	1.20	1.07	0.98	0.0001
Parameter 3	a	b	c	0.05

Short legend if required. ^a footnote. ^b footnote.

Figure 1. Figure titles and legend must form part of the text file and not be part of the graphical figure. Figures must be supplied electronically in the body of the text at 300 dpi minimum. Each figure (even if made up of parts) must be inserted as a single, composite file.

Short legend if required.

Consent to publish

If the abstract contains details relating to individual participants (for example a case report), written informed consent for the publication of these details must be obtained from the participants and a statement to this effect should appear at the end of the abstract. Our guidelines for consent statements can be found here:

<http://www.biomedcentral.com/about/editorialpolicies#Ethics>. If the patient is deceased consent for publication should be obtained from the next of kin and if the patient is under 16 consent should be obtained from the parent or guardian.
